REPORT OF THE MANAGER TO THE SHAREHOLDERS

Introduction

HuaAn Investment Grade Bond Fund is a sub-fund of HuaAn Investment Fund OFC. The inception day of the Fund was on 28 November 2022. The manager of HuaAn Investment Grade Bond Fund is HuaAn Asset Management (Hong Kong) Limited. and the Custodian and Administrator is Bank of Communications Trustee Limited.

Fund Performance

HuaAn Investment Grade Bond Fund seeks to provide investors with a stable and consistent investment return over medium to long term by investing primarily in investment grade debt securities globally. The Sub-Fund will primarily (i.e. at least 70% of its NAV) invest in investment grade debt securities globally. The Sub-Fund may invest up to 30% of its NAV in below investment grade or unrated debt securities, which in the opinion of the Manager are suitable for achieving the investment objective of the Sub-Fund. As of 31 December 2023¹, the Net Asset Value per unit of HuaAn Investment Grade Bond Fund for Class I USD (accumulation) was US\$1,043.2197, Class O USD (accumulation) was US\$10.5107. The total size of the fund was approximately US\$5.91million.

As of 31 December 2023¹, a summary of the performance of HuaAn Investment Grade Bond Fund is given below:

Historical Performance#								
	Since Launch	YTD	1 Month	3 Month s	6 Month s	1 Year	2023 Annual Cumulativ e	2022 Annual Cumulativ e
Class I USD (accumulatio n)	4.32%	4.30%	0.60%	1.67%	2.63%	4.30%	4.30%	0.02%
Class O USD (accumulatio n)	5.11%	4.79%	0.63%	1.77%	2.84%	4.79%	4.79%	0.30%

Independent Auditor's Report

To the shareholders of HUAAN INVESTMENT FUND OFC (the "Company") and HUAAN INVESTMENT GRADE BOND FUND (the "Sub-Fund") of the Company (an open-ended fund company with variable capital and segregated liability between sub-funds)

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of HuaAn Investment Fund OFC ("the Company") for the period from 2 August 2022 (date of incorporation of the Company) to 31 December 2023 and HuaAn Investment Grade Bond Fund (a sub-fund of the Company and referred to as "Sub-Fund") for the period from 28 November 2022 (date of the launch of the Sub-Fund) to 31 December 2023 set out on pages 7 to 25, which comprise the statement of financial position as at 31 December 2023, and the statement of profit or loss and other comprehensive income, the statement of changes in net assets attributable to shareholders and statement of cash flows for the period then ended, and notes to the financial statements, including material accounting policy information.

In our opinion, the financial statements give a true and fair view of the financial position of the Company and the Sub-Fund as at 31 December 2023, and of its financial performance and cash flows for the period then ended in accordance with Hong Kong Financial Reporting Standards ("HKFRSs) issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA").

Basis for Opinion

We conducted our audit in accordance with Hong Kong Standards on Auditing ("HKSAs") issued HKICPA. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company and the Sub-Fund in accordance with the HKICPA's Code of Ethics for Professional Accountants ("the Code"), and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other information

The Manager and Directors of the Company and the Sub-Fund are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Independent Auditor's Report

To the shareholders of HUAAN INVESTMENT FUND OFC (the "Company") and HUAAN INVESTMENT GRADE BOND FUND (the "Sub-Fund") of the Company (an open-ended fund company with variable capital and segregated liability between sub-funds)

Responsibilities of Manager and Directors for the Financial Statements

The Manager and the Directors are responsible for the preparation of the financial statements that give a true and fair view in accordance with HKFRSs issued by the HKICPA, and for such internal control as the Manager and the Directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Manager and the Directors are responsible for assessing the ability of the Company and the Sub-Fund to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Manager and the Directors either intend to liquidate the Company and the Sub-Fund or to cease operations, or have no realistic alternative but to do so.

In addition, the Manager and the Directors are required to ensure that the financial statements have been properly prepared in accordance with the relevant disclosure provisions of the instrument of incorporation of the Company dated 2 August 2022, Part 7 of the Securities and Futures (Open-ended Fund Companies) Rules ("OFC Rules"), Appendix E of the UT Code and Chapter 9 of the Code on Open-Ended Fund Companies ("OFC Code") issued by the Hong Kong Securities and Futures Commission.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Our report is made solely to you, as a body, in accordance with section 153 of the OFC Rules, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. In addition, we are required to assess whether the financial statements of the Company and the Sub-Fund have been properly prepared, in all material respects, in accordance with the relevant disclosure provisions of the instrument of incorporation of the Company and the Sub-Fund, Part 7 of the OFC Rules, Appendix E of the UT Code and Chapter 9 of the OFC Code.

Independent Auditor's Report

To the shareholders of HUAAN INVESTMENT FUND OFC (the "Company") and HUAAN INVESTMENT GRADE BOND FUND (the "Sub-Fund") of the Company (an open-ended fund company with variable capital and segregated liability between sub-funds)

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

As part of an audit in accordance with HKSAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud
 or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that
 is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material
 misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve
 collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control of the Company and the Sub-Fund.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the manager and the directors.
- Conclude on the appropriateness of the manager's and the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company and the Sub-Fund to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company and the Sub-Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Independent Auditor's Report

To the shareholders of HUAAN INVESTMENT FUND OFC (the "Company") and HUAAN INVESTMENT GRADE BOND FUND (the "Sub-Fund") of the Company (an open-ended fund company with variable capital and segregated liability between sub-funds)

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

We communicate with the Manager and the Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on matters under the relevant disclosure provisions of the instrument of incorporation of the Company and the Sub-Fund, Part 7 of the OFC Rules, Appendix E of the UT Code and Chapter 9 of the OFC Code

In our opinion, the financial statements have been properly prepared, in all material respects, in accordance with the relevant disclosure provisions of the instrument of incorporation of the Company and the Sub-Fund, Part 7 of the OFC Rules, Appendix E of the UT Code and Chapter 9 of the OFC Code.

NOTES TO THE FINANCIAL STATEMENTS

31 December 2023

1. THE SUB-FUND

HuaAn Investment Fund OFC (the "Company") is a Hong Kong open-ended fund company with variable capital and segregated liability between sub-funds regulated under the SFO. The Company was incorporated pursuant to an Instrument of Incorporation filed with the Registrar of Companies of Hong Kong on and effective as of 2 August 2022, with registration number OF88 and CE number AVW363. Participating Shares are now being offered for sale to investors in HuaAn Investment Grade Bond Fund (the "Sub-Fund") with CE number AVW363. The Sub-Find launched on 28 November 2022, after the Sub-Fund has been launched, this first annual report covers the period commencing from the launch of the Sub-Fund to the end of the relevant financial period, 31 December 2023.

The Manager of the Company is HuaAn Asset Management (Hong Kong) Limited. The Administrator and the Custodian of the Company and the Sub-Funds is Bank of Communications Trustee Limited ("BOCOM Trustee"), which is a registered trust company in Hong Kong.

Class I USD Shares and Class O USD Shares are available for investment by Institutional Professional Investors (as defined under the Code of Conduct) and other professional investors which the directors and Manager may designate in their discretion.

The investment objective of the Sub-Fund is to provide investors with stable return. The Sub-Fund invests deposits, including but not limited to fixed deposits, saving deposits with remaining days to maturity of less than 370 days, issued by investment grade-rated banks or substantial financial institutions.

2.1. BASIS OF PREPARATION

The financial statements of the Sub-Fund have been prepared in accordance with Hong Kong Financial Reporting Standards ("HKFRSs") as issued by the Hong Kong Institute of Certified Public Accountants, accounting principles generally accepted in Hong Kong and the requirements of the Hong Kong Companies Ordinance that are relevant to the preparation of company level financial statements by an intermediate parent company.

The financial statements have been prepared under the historical cost basis, except for financial assets classified at fair value through profit or loss that have been measured at fair value. The financial statements are presented in United States Dollars ("US\$") and all values are rounded to the nearest USD except where otherwise indicated.

A cash flow statement has not been presented as the Company does not operate a bank or cash account or hold any cash equivalents and has had no cash transactions during the accounting period. Accordingly, in the opinion of the directors, the presentation of a cash flow statement would provide no additional useful information to the users of the financial statements.

The Sub-Fund has adopted for the first time all the applicable and effective HKFRSs.

NOTES TO THE FINANCIAL STATEMENTS

31 December 2023

2.2. ISSUED BUT NOT YET EFFECTIVE HONG KONG FINANCIAL REPORTING STANDARDS

The Company has not early applied any of the revised HKFRSs that have been issued but are not yet effective for the accounting period ended 31 December 2023 in these financial statements. Among these HKFRSs, the following are expected to be relevant to the Company's financial statements upon becoming effective:

Amendments to HKAS 1	Classification of Liabilities as Current or Non-current
	(the "2020 Amendments") ^{1, 2}
Amendments to HKAS 1	Non-current Liabilities with Covenants

- ¹ Effective for annual periods beginning on or after 1 January 2024
- ² As a consequence of the 2020 Amendments and 2022 Amendments, Hong Kong Interpretation 5 Presentation of Financial Statements - Classification by the Borrower of a Term Loan that Contains a Repayment on Demand Clause was revised to align the corresponding wording with no change in conclusion

The 2020 Amendments clarify the requirements for classifying liabilities as current or non-current, including what is meant by a right to defer settlement and that a right to defer must exist at the end of the reporting period. Classification of a liability is unaffected by the likelihood that the entity will exercise its right to defer settlement. The amendments also clarify that a liability can be settled in its own equity instruments, and that only if a conversion option in a convertible liability is itself accounted for as an equity instrument would the terms of a liability not impact its classification. The 2022 Amendments further clarify that, among covenants of a liability arising from a loan arrangement, only those with which an entity must comply on or before the reporting date affect the classification of that liability as current or non-current. Additional disclosures are required for noncurrent liabilities that are subject to the entity complying with future covenants within 12 months after the reporting period. The amendments shall be applied retrospectively with early application permitted. An entity that applies the 2020 Amendments early is required to apply simultaneously the 2022 Amendments, and vice versa. The Company is currently assessing the impact of the amendments and whether existing loan agreements may require revision. Based on a preliminary assessment, the amendments are not expected to have any significant impact on the Company's financial statements.

2.3. MATERIAL ACCOUNTING POLICIES

Financial instruments

(i) Classification

In accordance with IFRS 9, the Sub-Fund classifies its financial assets and financial liabilities at initial recognition into the categories of financial assets and financial liabilities discussed below.

In applying that classification, a financial asset or financial liability is considered to be held for trading if:

- it is acquired or incurred principally for the purpose of selling or repurchasing it in the near term; or
- on initial recognition, it is a part of a portfolio of identified financial instruments that are managed together and for which, there is evidence of a recent actual pattern of short-term profit-taking; or
- it is a derivative (except for a derivative that is a financial guarantee contract or a designated and effective as a hedging instrument).

NOTES TO THE FINANCIAL STATEMENTS

31 December 2023

2.3. MATERIAL ACCOUNTING POLICIES

<u>Financial instruments (continued)</u> (*i*) Classification (continued) Financial assets

The Sub-Fund classifies its financial assets as subsequently measured at amortised cost or measured at fair value through profit or loss on the basis of both:

- the entity's business model for managing the financial assets; and
- the contractual cash flow characteristics of the financial asset

Financial assets measured at amortised cost

A debt instrument is measured at amortised cost if it is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and its contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. The Sub-Fund includes in this category short-term non-financing receivables including interest receivable on time deposits, amount due from a broker, other receivable, time deposits and cash and cash equivalents.

Financial assets measured at fair value through profit or loss

A financial asset is measured at fair value through profit or loss if:

- (a) Its contractual terms do not give rise to cash flows on specified dates that are solely payments of principal and interest (SPPI) on the principal amount outstanding; or
- (b) It is not held within a business model whose objective is either to collect contractual cash flows, or to both collect contractual cash flows and sell; or
- (c) At initial recognition, it is irrevocably designated as measured at fair value through profit or loss when doing so eliminates or significantly reduces a measurement or recognition inconsistency that would otherwise arise from measuring assets or liabilities or recognising the gains and losses on them on different bases.

(ii) Recognition

The Sub-Fund recognises a financial asset or financial liability when it becomes a party to the contractual provisions of the instrument.

Purchases or sales of financial assets that require delivery of assets within the timeframe generally established by regulation or convention in the marketplace (regular way trades) are recognised on the trade date, i.e., the date that the Sub-Fund commits to purchase or sell the asset.

(iii) Initial measurement

Financial assets and financial liabilities at fair value through profit or loss are recorded in the statement of financial position at fair value. All transaction costs for such instruments are recognised directly in profit or loss.

Financial assets and liabilities (other than those classified as fair value through profit or loss) are measured initially at their fair value plus any directly attributable incremental costs of acquisition or issue.

NOTES TO THE FINANCIAL STATEMENTS

31 December 2023

2.3. MATERIAL ACCOUNTING POLICIES (continued)

Financial instruments (continued)

(iv) Subsequent measurement

After initial measurement, the Sub-Fund measures financial instruments which are classified as at fair value through profit or loss at fair value. Subsequent changes in the fair value of those financial instruments are recorded in net gain or loss on financial assets and liabilities at fair value through profit or loss. Interest and dividends earned or paid on these instruments are recorded separately in interest income or expense and dividend income or expense in profit or loss. Debt instruments, other than those classified as at fair value through or loss, are measured at amortised cost using the effective interest method less any allowance for impairment. Gains and losses are recognised in profit or loss when the debt instruments are derecognised or impaired, as well as through the amortisation process.

The effective interest method is a method of calculating the amortised cost of a financial asset or a financial liability and of allocating the interest income or interest expense in profit or loss over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments or receipts through the expected life of the financial asset or financial liability. When calculating the effective interest rate, the Sub-Fund estimates cash flows considering all contractual terms of the financial instruments but does not consider future credit losses. The calculation includes all fees paid or received between parties to the contract that are an integral part of the effective interest rate, transaction costs and all other premiums or discounts.

(v) Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e., removed from the Sub-Fund's statement of financial position) when:

- The rights to receive cash flows from the asset have expired; or
- The Sub-Fund has transferred its rights to receive cash flows from the asset or has assumed an
 obligation to pay the received cash flows in full without material delay to a third party under a
 'pass-through' arrangement; and either (a) the Portfolio has transferred substantially all the risks
 and rewards of the asset; or (b) the Portfolio has neither transferred nor retained substantially all
 the risks and rewards of the asset, but has transferred control of the asset.

When the Sub-Fund has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates, if and to what extent, it has retained the risk and rewards of ownership of the asset. When it has neither transferred nor retained substantially all the risks and rewards of the asset nor transferred control of the asset, the Sub-Fund continues to recognise the transferred asset to the extent of the Sub-Fund's continuing involvement. In that case, the Sub-Fund also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Sub-Fund has retained. The Sub-Fund derecognises a financial liability when the obligation under the liability is discharged, cancelled or expired.

(an open-ended fund company with variable capital and segregated liability between sub-funds)

NOTES TO THE FINANCIAL STATEMENTS

31 December 2023

2.3. MATERIAL ACCOUNTING POLICIES (continued)

Impairment of financial assets

The Sub-Fund holds only interest and subscription receivables with no financing component and which have maturities of less than 12 months at amortised cost and, as such, has chosen to apply an approach similar to the simplified approach for expected credit losses ("ECL") under IFRS 9 to all its receivables. Therefore, the Sub-Fund does not track changes in credit risk, but instead recognises a loss allowance based on lifetime ECLs at each reporting date.

The Sub-Fund's approach to ECLs reflects a probability-weighted outcome, the time value of money and reasonable and supportable information that is available without undue cost or effort at the reporting date about past events, current conditions and forecasts of future economic conditions.

The Sub-Fund uses the provision matrix as a practical expedient to measure ECLs on receivables, based on days past due for groupings of receivables with similar loss patterns. Receivables are grouped based on their nature. The provision matrix is based on historical observed loss rates over the expected life of the receivables and is adjusted for forward-looking estimates.

Offsetting of financial instruments

Financial assets and financial liabilities are offset, and the net amount is reported in the statement of financial position if, and only if, there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, or to realise the asset and settle the liability simultaneously. This is generally not the case with master netting agreements unless one party to the agreement defaults and the related assets and liabilities are presented gross in the statement of financial position.

Fair value measurement

The Sub-Fund measures its investments in financial instruments, such as debt investments, at fair value at each reporting date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either in the principal market for the asset or liability or, in the absence of a principal market, in the most advantageous market for the asset or liability. The principal or the most advantageous market must be accessible to the Sub-Fund.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

The fair value for financial instruments traded in active markets at the reporting date is based on their quoted price or binding dealer price quotations, without any deduction for transaction costs.

For all other financial instruments not traded in an active market, the fair value is determined by using valuation techniques deemed to be appropriate in the circumstances. Valuation techniques include the market approach (i.e., using recent arm's length market transactions adjusted as necessary and reference to the current market value of another instrument that is substantially the same) and the income approach (i.e., discounted cash flow analysis and option pricing models making as much use of available and supportable market data as possible).

(an open-ended fund company with variable capital and segregated liability between sub-funds)

NOTES TO THE FINANCIAL STATEMENTS

31 December 2023

2.3. MATERIAL ACCOUNTING POLICIES (continued)

Fair value measurement (continued)

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Sub-Fund identifies transfers between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Sub-Fund has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

Functional and presentation currency

The Sub-Fund's functional currency is US\$, which is the currency of the primary economic environment in which it operates. The Sub-Fund's performance is evaluated, and its liquidity is managed in US\$. Therefore, the US\$ is considered as the currency that most faithfully represents the economic effects of the underlying transactions, events and conditions. The fund's presentation currency is also US\$.

Foreign currency translations

Transactions during the period, including purchases and sales of securities, income and expenses, are translated at the rate of exchange prevailing on the date of the transaction.

Monetary assets and liabilities denominated in foreign currencies are retranslated at the functional currency rate of exchange ruling at the reporting date.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates as at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined.

Foreign currency transaction gains and losses on financial instruments classified as at fair value through profit or loss are included in profit or loss as part of the net gain or loss on financial assets at fair value through profit or loss. Foreign exchange differences on other financial instruments are included in profit or loss as net foreign exchange gains.

(an open-ended fund company with variable capital and segregated liability between sub-funds)

NOTES TO THE FINANCIAL STATEMENTS

31 December 2023

2.3. MATERIAL ACCOUNTING POLICIES (continued)

Net assets attributable to holders of participating shares

The Sub-Fund issues redeemable units, namely Class I shares and Class O shares, which are redeemable at the shareholder's option and are classified as financial liabilities.

Participating shares are subscribed and redeemed during each dealing day or such other day or days determined by the director may agree from time to time for cash equal to a proportionate share of the Sub-Fund's net assets attributable to holders of redeemable units of the relevant classes. The Manager is entitled to limit the number of redeemable units of the Sub-Fund redeemed on any business day to 20% of the total number of redeemable units of the Sub-Fund in issue.

Participating shares are issued and redeemed at the holder's option at prices based on the Sub-Fund's net assets attributable to holders of redeemable shares per unit at the time of issue or redemption. The Sub-Fund's net assets attributable to holders of redeemable shares per unit is calculated by dividing the net assets attributable to holders by the number of units in issue.

Distributions to shareholders

Distributions are at the discretion of the Manager. A distribution to the Sub-Fund's shareholders are included in profit or loss in the statement of profit or loss and other comprehensive income as the *'Finance costs'*. A proposed distribution is recognised as a liability in the period in which it is approved by the Manager of the Sub-Fund.

Cash and cash equivalents

Cash and cash equivalents in the statement of financial position comprise cash at banks and on hand and short-term deposits with a maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and cash equivalents, as defined above, net of outstanding bank overdrafts when appropriate.

Interest income

Interest income is recognised in profit or loss for all interest-bearing financial instruments using the effective interest method.

Government grant

Government grants are recognised at their fair value where there is reasonable assurance that the grant will be received and all attaching conditions will be complied with. When the grant relates to an expense item, it is recognised as income on a systematic basis over the periods that the costs, for which it is intended to compensate, are expensed

Transaction cost

Transaction costs are costs incurred to acquire financial assets or financial liabilities at fair value through profit or loss. They include fees and commissions paid to agents. advisers, brokers and dealers. Transaction costs, when incurred, are immediately recognized in profit or loss as an expense.

(an open-ended fund company with variable capital and segregated liability between sub-funds)

NOTES TO THE FINANCIAL STATEMENTS

31 December 2023

2.3. MATERIAL ACCOUNTING POLICIES (continued)

<u>Net gain or loss on financial assets at fair value through profit or loss</u> This item includes changes in the fair value of financial assets as "fair value through profit or loss" and excludes interest and dividend incomes and expenses.

Unrealised gains and losses comprise changes in the fair value of financial instruments for the period and from reversal of prior period's unrealised gains and losses for financial instruments which were realised in the reporting period.

Realised gains and losses on disposals of financial instruments classified as "fair value through profit or loss" are calculated using the weighted average method. They represent the difference between an instrument's initial carrying amount and disposal amount, or cash payments or receipts made on derivative contracts (excluding payments or receipts on collateral margin accounts for such instruments).

Net assets attributable to holders of participating shares

The Sub-Fund issues redeemable units, namely Class I shares and Class O shares, which are redeemable at the shareholders option and are classified as financial liabilities.

Participating shares are subscribed and redeemed during each dealing day or such other day or days determined by the director may agree from time to time for cash equal to a proportionate share of the Sub-Fund's net assets attributable to holders of redeemable units of the relevant classes. The Manager is entitled to limit the number of redeemable units of the Sub-Fund redeemed on any business day to 10% of the total number of redeemable units of the Sub-Fund in issue.

Participating shares are issued and redeemed at the holder's option at prices based on the Sub-Fund's net assets attributable to holders of redeemable shares per unit at the time of issue or redemption. The Sub-Fund's net assets attributable to holders of redeemable shares per unit is calculated by dividing the net assets attributable to holders by the number of units in issue.

3. FEES

Management fee

The Manager is entitled to receive a management fee from the Sub-Fund as a percentage of net assets attributable to holders of redeemable units of each class of unit of the Sub-Fund Class A Shares: 0.80% per annum; Class I Shares: 0.40% per annum and Class O Shares: 0% per annum with respect to the net asset value of the Sub-Fund accrued daily and payable monthly in arrears.

Custodian fee / Administration Fee

For net asset value equals or is less than US\$100 million, the Administrator and Custodian are entitled to receive fee at a rate of 0.07% per annum (subject to a minimum monthly fee of US\$1,200) of the net asset value. For net asset value on excess over US\$100 million, the Administrator and Custodian are entitled to receive fee at a rate of 0.06% per annum of the net asset value. The Administrator's and Custodian's fees are calculated and payable monthly in arrears.

4. FINANCIAL ASSETS AND LIABILITIES AT FAIR VALUE THROUGH PROFIT OR LOSS

	2023 US\$
Financial assets at FVPL	054
- Bond	5,764,655
	5,764,655
Gains recognised in relation to financial	
assets at fair value through profit or loss:	
- realised	55,898
- unrealised	89,686
Net gains on financial assets at fair value through profit or loss	145,584

Valuation techniques

Debt securities

The Sub-Fund invests in debt securities including corporate bonds. In the absence of a quoted price in an active market, they are valued using observable inputs such as recently executed transaction prices in securities of the issuer or comparable issuers and yield curves. Adjustments are made to the valuations when necessary to recognise differences in the instrument's terms. To the extent that the significant inputs are observable, the Sub-Fund categorises these investments as Level 2.

The following table analyses within the fair value hierarchy the Sub-Fund's financial assets measured at fair value at 31 December 2023.

31 December 2023	Quoted price in active markets Level 1 US\$	Significant observable inputs Level 2 US\$	Significant unobservable inputs Level 3 US\$	Total US\$
Financial assets at fair value through profit or loss - Bond		<u> </u>	<u>-</u>	<u>5,764,655</u> 5,764,655

There are no investments classified within Level 3. During the period, there were no transfers of fair value measurements between Level 1 and Level 2 and no transfers into or out of Level 3 for financial assets.

Total		463,923	-		46	2,923

7. NET ASSETS ATTRIBUTABLE TO UNITHOLDERS

A reconciliation of the net assets attributable to holders of redeemable units as reported in the statement of financial position to the net assets attributable to holders of redeemable units as determined for the purposes of processing unit subscriptions and redemptions is provided below:

	2023 US\$
Published net assets attributable to shareholders	5,908,896
Adjustment for establishment costs	(20,242)
Adjustment for auditor's remuneration	3,500
Adjustment for legal and professional fee	6,556
Adjustment for interest income	944
Net assets attributable to shareholders as	
reported in the financial statements	5,899,654

31 December 2023

	Unit price as reported in financial statements In class currency	Published unit price In class currency
Class I Net assets attributable to unitholders per unit	US\$1,041.5690	US\$1,043.2197
Class O Net assets attributable to unitholders per unit	US\$10.4944	US\$10.5107

(an open-ended fund company with variable capital and segregated liability between sub-funds)

NOTES TO THE FINANCIAL STATEMENTS

31 December 2023

7. NET ASSETS ATTRIBUTABLE TO UNITHOLDERS (continued)

As of 2 August 2022 (date of incorporation of the Company) and 31 December 2023, net assets attributable to unitholders per unit of management share of the Company were nil.

8. FINANCIAL RISK AND MANAGEMENT OBJECTIVES AND POLICIES

Investment in the Sub-Fund is subject to normal market fluctuations and other risks inherent in investing in securities and there can be no assurance that any appreciation in value will occur. The value of investments and the income from them fluctuate and therefore the value of the redeemable participating units can fall as well as rise.

The performance of the Sub-Fund will be affected by a number of risk factors, including the following:

Market risk

Market risk is the risk of loss arising from uncertainty concerning movements in market prices and rates, including observable variables such as interest rates, credit spreads, exchange rates, and others that may be only indirectly observable such as volatilities and correlations. Market risk includes such factors as changes in economic environment, consumption pattern and investors' expectation etc. which may have significant impact on the value of the investments. Market movement may therefore result in substantial fluctuation in the net assets attributable to holders of redeemable units of each class per redeemable class unit of the Sub-Fund.

The maximum risk resulting from financial instruments equals their fair value.

The Sub-Fund assumes market risk in trading activities. The Sub-Fund distinguishes market risk as follows:

- Interest rate risk
- Foreign exchange risk

Interest rate risk

Interest rate risk arises from the effects of fluctuations in the prevailing levels of markets interest rates on the fair value of interest-bearing assets and future cash flow.

As the Sub-Fund has invested in debt securities whose values are driven significantly by changes in interest rates, the Sub-Fund is subject to interest rate risk. When interest rates rise, the value of previously acquired debt securities will normally fall because new debt securities acquired will pay a higher rate of interest. In contrast, if interest rates fall, then the value of the previously acquired debt securities will normally rate of assesses the economic condition, monitors changes in interest rates outlook and takes appropriate measures accordingly to control the impact of interest rate risk. In a rising interest rate environment, the Sub-Fund will acquire debts with a shorter maturity profile to minimise the negative impact to the portfolio.

NOTES TO THE FINANCIAL STATEMENTS

31 December 2023

8. FINANCIAL RISK AND MANAGEMENT OBJECTIVES AND POLICIES (continued)

Market risk (continued)

Interest rate risk (continued)

As at 31 December 2023, the Sub-Fund held fixed rate bond investments and mature within two years.

The following table demonstrates the sensitivity of the Sub-Fund's profit or loss for the period to a reasonably possible change in interest rates, with all other variables held constant.

	Change in basis points	change in fair value of investments (decrease)/increase US\$
As at 31 December 2023 - Bond	+25/-25	(14,412)/14,412

Sensitivity of

<u>Foreign exchange risk</u>

Foreign exchange risk is the risk that the value of financial instruments will fluctuate due to changes in foreign exchange rates.

The Sub-Fund holds assets and liabilities predominately denominated in US\$, the functional currency of the Sub-Fund. The Manager considers the Sub-Fund is not exposed to significant currency risk and therefore no sensitivity analysis is presented.

Liquidity risk

Liquidity risk is defined as the risk that the Sub-Fund will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial assets. The Sub-Fund is exposed to cash redemptions of its redeemable units on every Hong Kong and PRC business day during the calendar period.

Liquidity risk may also result from an inability to sell a financial asset quickly at an amount close to its fair value. The Sub-Fund invests in the global bond market. In the absence of an active market, the Sub-Fund may need to hold the debt securities until their maturity date. Even if a secondary market develops, the price at which debt securities are traded may be higher or lower than the initial subscription price due to many factors including prevailing interest rates. Further, the bid and offer spread of the price of debt securities may be wide and significant trading costs therefore need to be incurred. The Sub-Fund may suffer losses when such investments are sold.

(an open-ended fund company with variable capital and segregated liability between sub-funds)

NOTES TO THE FINANCIAL STATEMENTS

31 December 2023

8. FINANCIAL RISK AND MANAGEMENT OBJECTIVES AND POLICIES (continued)

Liquidity risk (continued)

The Manager seeks to control the liquidity risk of the investment portfolio in order to meet unitholders' redemption requests.

The following table summarises the maturity profile of the Sub-Fund's financial liabilities.

As at 31 December 2023	Less than 3 months US\$	Others US\$	Total US\$
Financial liabilities Management fee	039	039	035
payable	353	-	353
Custodian fee payable	350	-	350
Other payables and accruals	19,026	-	19,026
Net assets attributable		E 900 654	E 900 CE4
to shareholders*		5,899,654	5,899,654
* Subject to redemption terms	<u>19,729</u>	<u>5,899,654</u>	5,919,383

* Subject to redemption terms per prospectus of the Sub-Fund

Credit and counterparty risk

The Sub-Fund is exposed to credit risk, which is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation.

Credit risk is the risk that the counterparty to a financial instrument will cause a financial loss for the Sub-Fund by failing to discharge an obligation. The Sub-Fund is exposed to the risk of credit-related losses that can occur as a result of a counterparty or issuer being unable or unwilling to honour its contractual obligations. These credit exposures exist within interest receivables and cash and cash equivalents.

Financial assets subject to HKFRS 9's impairment requirements

The Sub-Fund's financial assets subject to the expected credit loss model within IFRS 9 are cash and cash equivalents and Interest receivable on debt securities. At 31 December 2023, the total of cash and cash equivalents and interest receivable on debt securities was approximately US\$182,096. No assets are considered impaired and no amounts have been written off in the period.

All receivables are expected to be received in three months or less. An amount is considered to be in default if it has not been received 30 days after it is due.

Financial assets not subject to HKFRS 9's impairment requirements

The Sub-Fund is exposed to credit risk on debt instruments. These classes of financial assets are not subject to HKFRS 9's impairment requirements as they are measured at fair value through profit or loss. The carrying value of these assets represents the Sub-Fund's maximum exposure to credit risk on financial instruments not subject to the HKFRS 9 impairment requirements on the respective reporting dates. Hence, no separate maximum exposure to credit risk disclosure is provided for these instruments.

NOTES TO THE FINANCIAL STATEMENTS

As at 21 December 2022

31 December 2023

8. FINANCIAL RISK AND MANAGEMENT OBJECTIVES AND POLICIES (continued)

Credit and counterparty risk (continued)

<u>Credit quality of financial assets not subject to HKFRS 9's impairment requirements</u> The Sub-Fund primarily invests in investment grade debt securities globally.

The Sub-Fund's financial assets which are potentially subject to concentrations of counterparty risk consist principally of bank deposits and investments held with the financial institutions as listed out below. The table below summarises the Sub-Fund's assets placed with banks and the custodian:

As at 31 December 2023	US\$	Credit rating
<u>Custodian</u> Bank of Communications Trustee Limited	5,764,655	А
<u>Bank</u> Citibank (Hong Kong)	144,683	А

The maximum exposure to credit risk is represented by the carrying amount of each financial asset in the statement of financial position.

9. TRANSACTIONS WITH THE MANAGER AND ITS CONNECTED PERSONS

Connected persons of the Manager are those as defined in the SFC Code. All transactions entered into during the period between the Sub-Fund and its connected persons were carried out in the normal course of business and on normal commercial terms. To the best of the Manager's knowledge, the Sub-Fund does not have any other transactions with connected persons except for what is disclosed below.

A. Holdings in the Sub-Fund

The Sub-Fund allows the Manager, its connected persons and other funds managed by the Manager to subscribe for, and redeem, units in the Sub-Fund. The holdings in the Sub-Fund by the Manager and its connected persons as at 31 December 2023 were as follows:

Units held by indirectly or through its wholly owned subsidiary of HuaAn Asset Management (Hong Kong) Limited (Hong Kong) Company Limited, the Manager of the Sub-Fund:

		Units outstanding at beginning of	Units subscribed during the	Units redeemed during the	Units outstanding at 31 December
Connected Person	Share Class	the period	period	period	2023
HuaAn Asset Management (Hong Kong) Limited HuaAn Asset Management	(accumulation):	-	1,000	-	1,000
(Hong Kong) Limited	(accumulation):	-	462,923	-	462,923

(an open-ended fund company with variable capital and segregated liability between sub-funds)

NOTES TO THE FINANCIAL STATEMENTS

31 December 2023

9. TRANSACTIONS WITH THE MANAGER AND ITS CONNECTED PERSONS (continued)

A. Holdings in the Sub-Fund (continued)

All transactions entered into during the period between the Sub-Fund and the Manager and its connected persons were carried out in the normal course of business and on normal commercial terms.

B. Fees earned by the Manager

Details of management fee earned by the Manager is set out in note 3 to the financial statements.

10. SOFT COMMISSION ARRANGEMENTS

The Manager and its connected persons may enter into soft commission arrangements with brokers under which certain goods and services used to support investment decision making will be received. The Manager and its connected persons will not make direct payment for these services but will transact an agreed amount of business with the brokers on behalf of the Sub-Fund and commission will be paid on these transactions.

The goods and services must be of demonstrable benefit to the Sub-Fund and may include research and advisory services, economic and political analysis, portfolio analysis including valuation and performance measurement, market analysis and data and quotation services, computer hardware and software incidental to the above goods and services, clearing and custodian services and investment-related publications.

For the period ended 31 December 2023, the Manager had not participated in any soft dollar arrangements in respect of any transactions for the accounts of the Sub-Fund.

11. SUBSEQUENT EVENTS

After the date of the reporting period, the Sub-Fund has subsequent subscription (Class A USD(ACC) amounting to US\$1,000).

12. APPROVAL OF THE FINANCIAL STATEMENTS

The financial statements were approved and authorised for issue by the board of directors on 2.5 APR 2024

(an open-ended fund company with variable capital and segregated liability between sub-funds)
